Dear Ms. Howland:

Attached you will find the original Motion to Intervene on the Petition for Approval of Lease Agreement between PSNH d/b/a Eversource Energy and Northern Pass Transmission LLC; DE 15-464, along with the required six copies.

We request the NHPUC grant us intervention status for the entire Association Membership (membership list available upon request) consisting of 148 individually owned townhomes that would be negatively affected by this project.

Thank you for your consideration on this request.

Respectfully submitted,

Michelle Kleindienst

Association Manager
