Dear Ms. Howland:

Attached you will find the original Motion to Intervene on the Petition for Approval of Lease Agreement between PSNH d/b/a Eversource Energy and Northern Pass Transmission LLC; DE 15-464, along with the required six copies.

I request the NHPUC grant me intervention status because I would be negatively affected by this project if it is sited on Northern Pass's (or is it Eversource's?) submitted alternative route.

This petition is late because I only recently found out about the docket.

Thank you for your consideration on this request.

Respectfully submitted:
