**PETITION TO INTERVENE OF  
ERICK BERGLUND JR and KATHLEEN BERGLUND**

Erick Berglund Jr and Kathleen Berglund respectfully petition the New Hampshire Public Utilities Commission ("PUC") for late intervention in the above-captioned proceedings under RSA 541-A:32 and PUC Rule 203.17, because the proposed facility will impact our rights, duties, privileges, immunities, and other substantial interests and the interests of justice and orderly and prompt conduct of the proceedings will not be impaired by allowing the intervention.

In support of our request, Erick Berglund Jr and Kathleen Berglund state as follows:

1. On or about October 19, 2015, Public Service Company of New Hampshire ("PSNH") d/b/a Eversource Energy (Eversource) filed a Petition for Approval of a lease agreement (Lease Petition) between Eversource and Northern Pass Transmission LLC ("Northern Pass") pertaining to certain real estate interests of Eversource. Northern Pass also filed an application with the Site Evaluation Committee ("SEC") to construct, operate, and maintain a 192-mile, high voltage electric transmission line from the international border between New Hampshire and Canada to a substation in Deerfield, New Hampshire.
2. Erick Berglund Jr and Kathleen Berglund own five parcels of land on Nottingham Road in Deerfield, NH. Four properties are encumbered by a conservation easement. Two of these properties are encumbered by easements that Public Service Company of New Hampshire (PSNH) has petitioned to lease to Northern Pass Transmission, LLC (NPT) for the construction of high voltage transmission infrastructure for the importation of electricity from Canada.
3. The proposed Lease Petition will impact the rights, duties, privileges, immunities and other substantial interests of Erick Berglund Jr and Kathleen Berglund. Allowing this intervention will serve the interests of justice and will not impair the orderly and prompt conduct of the proceedings.
4. On January 29, 2016, the PUC issued an Order of Notice requiring interested parties to intervene by February 17, 2016. Since then, Parties have submitted filings but the underlying substance of the Lease Petition has not yet been adjudicated by the PUC.

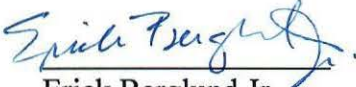

This matter has not progressed substantially such that permitting the late intervention would prejudice the Applicant.

Erick Berglund Jr and Kathleen Berglund respectfully request that the Public Utilities Commission grant us Petition to Intervene and such other and further relief as may be just.

Respectfully Submitted,

  
Erick Berglund Jr and Kathleen Berglund

Deerfield, NH 03037

I certify that on this day, May 12, 2016, a copy of the foregoing Petition was sent by electronic mail or US mail to persons named on the Service List of this docket.
