RE: Petition to Intervene by Robert J. Cote and Bruce A. Adami

Dear Ms. Rowland:

We have attached our Petition to Intervene with six additional copies in the above referenced matter. We understand that this is a late entry into this docket. We are seeking to be jointly involved with the other Deerfield interveners in this process. Please let us know if you need anything else.

We have forwarded this petition and this cover letter to the electronic distribution list.

Thank you for your assistance.
